

Final Technical Report of the UNDP-GEF  
Sponsored Project

# National Biodiversity Strategy and Action Plan, India

**Volume 2**

Executing Agency  
Ministry of Environment and Forests, Government of India

Technical Implementing Agency  
Kalpavriksh, through a Technical and Policy Core Group

Administrative Agency  
Biotech Consortium India Limited

# Table of Contents

## Annexure 4: Summaries of the BSAPs

1

### **States**

Andaman and Nicobar State Biodiversity Strategy and Action Plan  
Andhra Pradesh State Biodiversity Strategy and Action Plan  
Arunachal Pradesh State Biodiversity Strategy and Action Plan  
Assam State Biodiversity Strategy and Action Plan  
Bihar State Biodiversity Strategy and Action Plan  
Chandigarh State Biodiversity Strategy and Action Plan  
Chhattisgarh State Biodiversity Strategy and Action Plan  
Delhi State Biodiversity Strategy and Action Plan  
Goa State Biodiversity Strategy and Action Plan  
Gujarat State Biodiversity Strategy and Action Plan  
Haryana State Biodiversity Strategy and Action Plan  
Himachal Pradesh State Biodiversity Strategy and Action Plan  
Jammu and Kashmir State Biodiversity Strategy and Action Plan  
Karnataka State Biodiversity Strategy and Action Plan  
Kerala State Biodiversity Strategy and Action Plan  
Lakshadweep Biodiversity Strategy and Action Plan  
Madhya Pradesh State Biodiversity Strategy and Action Plan  
Maharashtra State Biodiversity Strategy and Action Plan  
Meghalaya State Biodiversity Strategy and Action Plan  
Mizoram State Biodiversity Strategy and Action Plan  
Nagaland State Biodiversity Strategy and Action Plan  
Orissa State Biodiversity Strategy and Action Plan  
Pondicherry State Biodiversity Strategy and Action Plan  
Punjab State Biodiversity Strategy and Action Plan  
Rajasthan State Biodiversity Strategy and Action Plan  
Sikkim State Biodiversity Strategy and Action Plan  
Tamil Nadu State Biodiversity Strategy and Action Plan  
Tripura State Biodiversity Strategy and Action Plan  
Uttaranchal State Biodiversity Strategy and Action Plan  
Uttar Pradesh State Biodiversity Strategy and Action Plan  
West Bengal State Biodiversity Strategy and Action Plan

### **Sub-state**

Arvari Sub-State Site (Rajasthan) Biodiversity Strategy and Action Plan  
Bilaspur Sub-state Site (Chhattisgarh) Biodiversity Strategy and Action Plan  
Deccan Andhra Sub-state (Andhra Pradesh) Biodiversity Strategy and Action Plan  
Munsiari (Gori River Basin) Sub-state Site (Uttaranchal) Biodiversity Strategy and Action Plan  
Kachchh Sub-State Site (Gujarat) Biodiversity Strategy and Action Plan  
Karbi Anglong Sub-State Site (Assam) Biodiversity Strategy and Action Plan

Ladakh Sub-State Site (Jammu & Kashmir) Biodiversity Strategy and Action Plan  
Lahaul Spiti & Kinnaur Sub-State Site (Himachal Pradesh) Biodiversity Strategy and Action Plan  
Nahin Kalan Sub-State Site (Uttaranchal) Biodiversity Strategy and Action Plan  
Nagpur Sub-State Site (Maharashtra) Biodiversity Strategy and Action Plan  
Rathong Chu Sub-State Site (Sikkim) Biodiversity Strategy and Action Plan  
Simlipal Sub-State Site (Orissa) Biodiversity Strategy and Action Plan  
Uttara Kannada Sub-State Site (Karnataka) Biodiversity Strategy and Action Plan  
Vidarbha Sub-State Site (Maharashtra) Biodiversity Strategy and Action Plan  
West Garo Hills Sub-State Site (Meghalaya) Biodiversity Strategy and Action Plan

***Ecoregional***

Aravalli Ecoregion Biodiversity Strategy and Action Plan  
Central India Ecoregion (Vidarbha and Bastar) Ecoregion Biodiversity Strategy and Action  
East Coast Ecoregion Biodiversity Strategy and Action Plan  
Eastern Ghats Ecoregion Biodiversity Strategy and Action Plan  
Gangetic Plains Ecoregion Biodiversity Strategy and Action Plan  
North-East Ecoregion Biodiversity Strategy and Action Plan  
Shivalik Ecoregion Biodiversity Strategy and Action Plan  
West Coast Ecoregion Biodiversity Strategy and Action Plan  
Western Ghats Ecoregion Biodiversity Strategy and Action Plan  
Western Himalaya Ecoregion Biodiversity Strategy and Action Plan

***Thematic***

Culture and Biodiversity Thematic Strategy and Action Plan  
Domesticated Biodiversity Thematic Strategy and Action Plan  
Economics and Valuation of Biodiversity: Thematic Strategy and Action Plan  
Education, Awareness And Training Thematic Strategy and Action Plan  
Health and Biodiversity Thematic Strategy and Action Plan  
Laws, Policies, Institutions and Planning Thematic Strategy and Action Plan  
Livelihoods, Lifestyles And Biodiversity: Thematic Strategy and Action Plan  
Micro-organisms Biodiversity Thematic Strategy and Action Plan  
Natural Aquatic Ecosystems Thematic Strategy and Action Plan  
Natural Terrestrial Ecosystems Thematic Strategy and Action Plan  
Wild Animals Thematic Strategy and Action Plan  
Wild Plants Thematic Strategy and Action Plan

Annexure 5: Summaries of Sub-thematic Reviews  
Biodiversity in Environment Impact Assessment (EIA)  
Community Conserved Areas (CCAs) in Gujarat  
Community Based Monitoring  
Ecological Impacts of NTFP Collection in West Bengal  
Environmentally Friendly and Alternative Technologies  
Humanised Natural Landscapes in the Eastern Himalaya  
Important Bird Areas  
Integrated Biodiversity Information System  
Invasive Alien Species and Biodiversity  
Living Marine Resources Drugs and Biodiversity  
Natural Dyes and Biodiversity  
Nomadic Pastoralism and Biodiversity  
Non-Pastoral Nomads  
Paper Industry and Biodiversity  
Pesticides/Toxics and Biodiversity

Remote Sensing

Research on Agricultural Biodiversity

Thermal Power and Biodiversity

Tourism and Biodiversity

Tree Plantations and Biodiversity

Urban Biodiversity

Annexure 6: Descriptions of the 16 Major Forest Type-groups According to Champion and Seth (1968)

Annexure 7: Threatened Indian Fauna

Annexure 8: Protected Areas in India

Annexure 9: Biosphere Reserves in India

Annexure 10: Tiger Reserves and Elephant Reserves in India

Annexure 11: Community Conserved Areas in India: Some Examples

Annexure 12: Important Bird Areas of India

Annexure 13: National Active Germplasm Sites in India, and Their Germplasm Holdings

Annexure 14: Medicinal Plant Conservation Areas in Peninsular India

Annexure 15: Financial Allocations for Biodiversity in India

Annexure 16: Integrating Biodiversity Concerns into District Planning

Points of Commonality Between States, Local, Ecoregional BSAPs and the National Action Plan
