

Points of Commonality States¹

Note: The Points of Commonality charts are based on final or latest drafts of BSAPs as received on 13.11.2003. BSAPs with * indicate those which were not received as on 13.11.2003.
Only Sections 7.1 and 7.2 have been compared

7.1 Strategies and Actions for Wild Biodiversity

National level Strategies	Andaman & Nicobar	Arunachal Pradesh	Assam	Bihar*	Chandigarh	Delhi	Goa	Gujarat	Haryana	J&K	Jharkhand*	Karnataka	Kerala	Lakshwadeep	Maharashtra	Manipur	Meghalaya	Mizoram	Nagaland	Orissa	Punjab	Rajasthan	Sikkim	Tripura	Uttaranchal	Uttar Pradesh	West Bengal	
7.1.1 Understanding and information	7.1.1.1 Consolidate, Increase and Update the Knowledge on Ecosystems and Taxa	7.1.1.2 Create and Maintain a Comprehensive, Multi-Layered Database and Information System																										

1. Not all state level strategies would be applicable and thus reflected to the National level strategies. Not all national level strategies would be valid for all states.

National level Strategies	7.1.1.3 Enhance Understanding of the Links Between Cultural (including linguistic) and Biological Diversity	7.1.2 <i>In situ</i> Conservation	7.1.2.1 Strengthen and Expand the Official Protected Areas Network	7.1.2.2 Strengthen and Support Community Conservation Areas Including Sacred Sites	7.1.2.3 Strengthen Conservation Outside PAs and CCAs, Across The Entire Rural Land/Waterscape
